

Using the OnRoad App

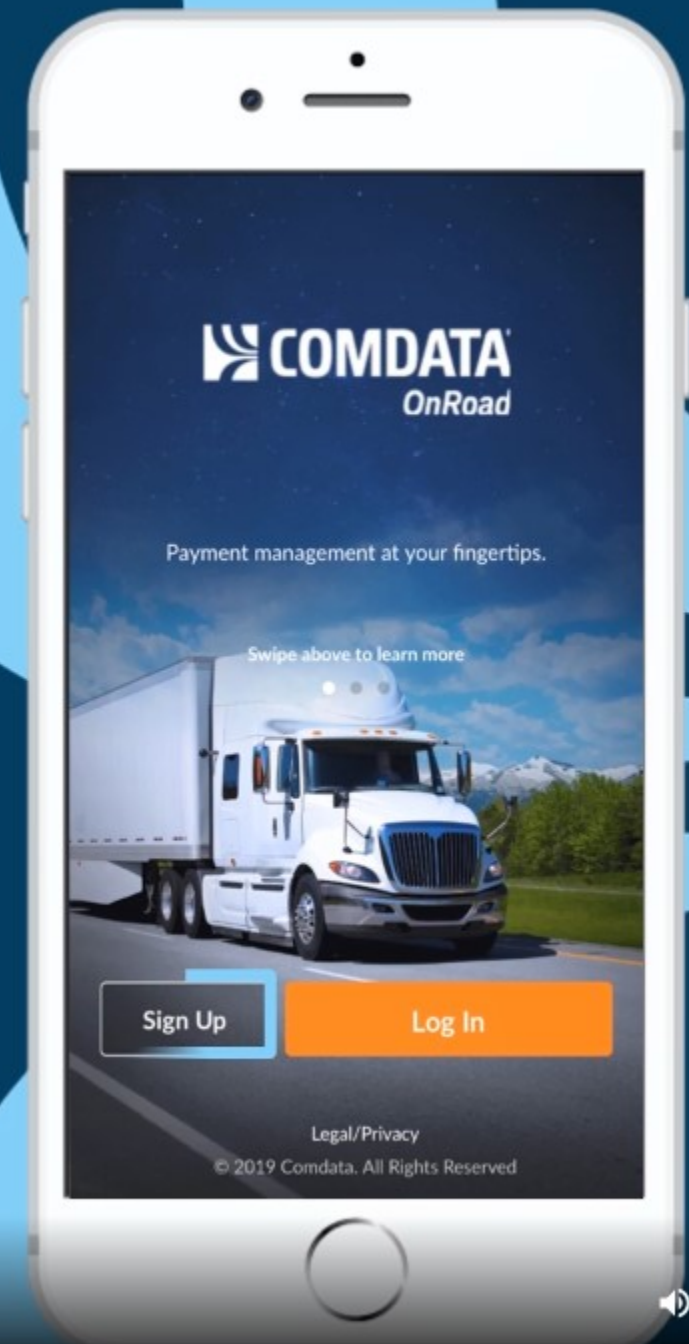

On your mobile device:

1. Open the **Google Play** or **Apple App Store**.
2. Search **Comdata OnRoad**.
3. Download and install the app.

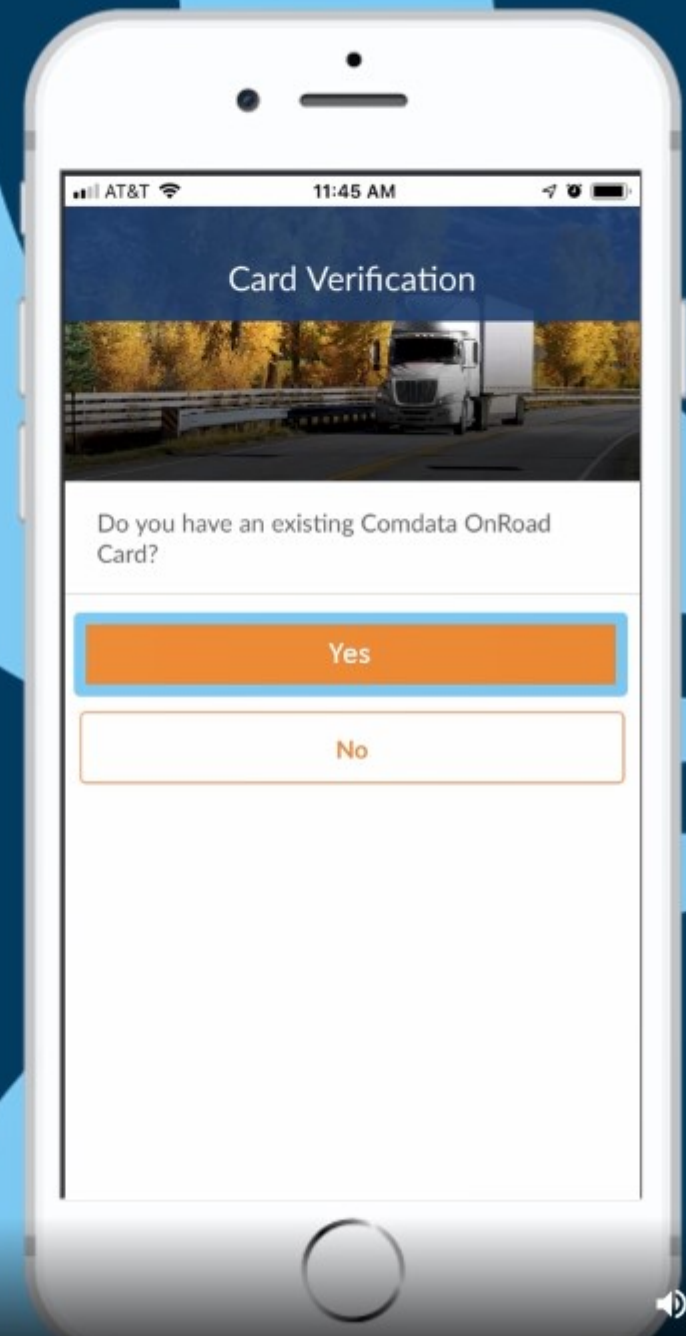

Once installed, locate the OnRoad icon on your device and open it.

Tap Sign Up.

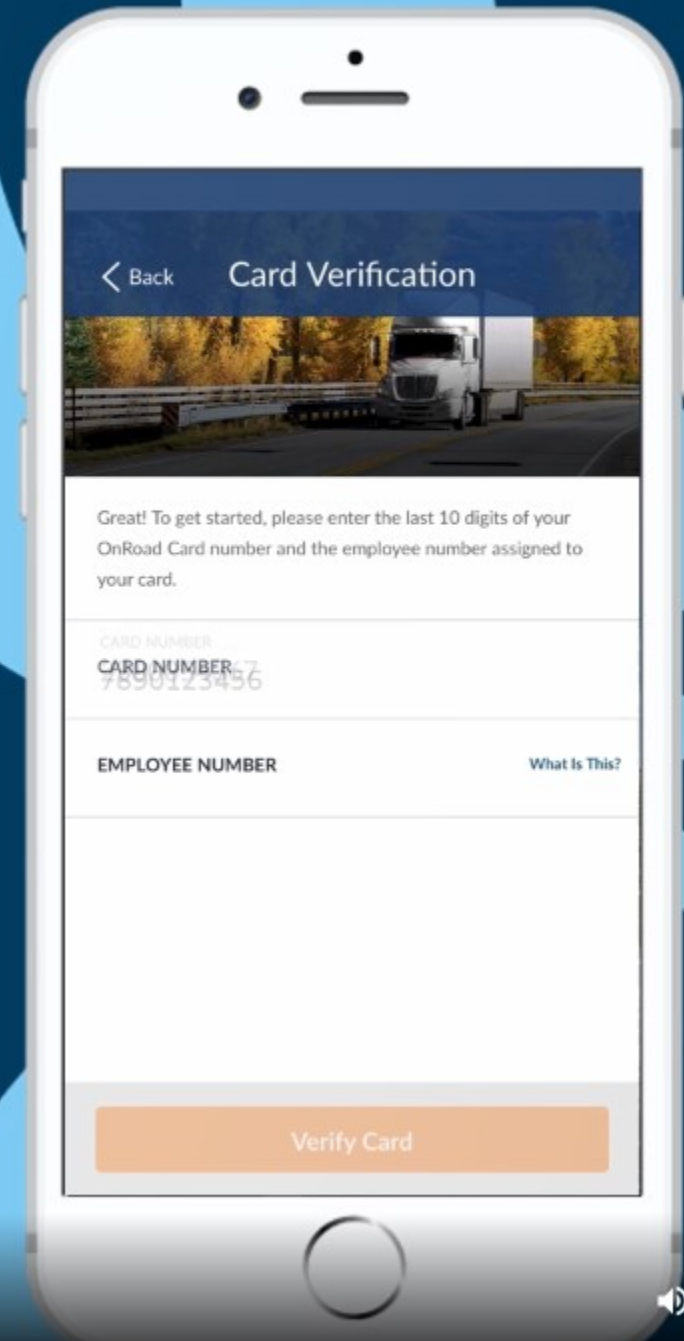

Tap **Yes** to confirm you have a OnRoad Card.

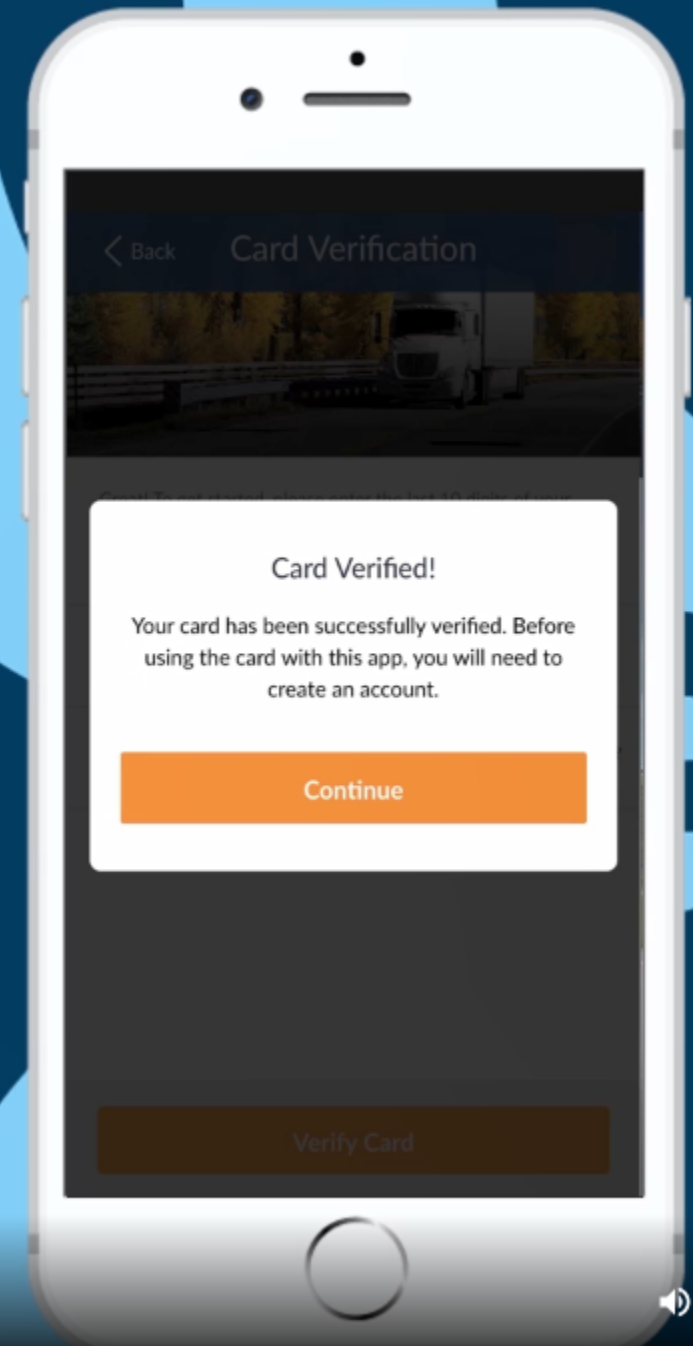

First, enter:

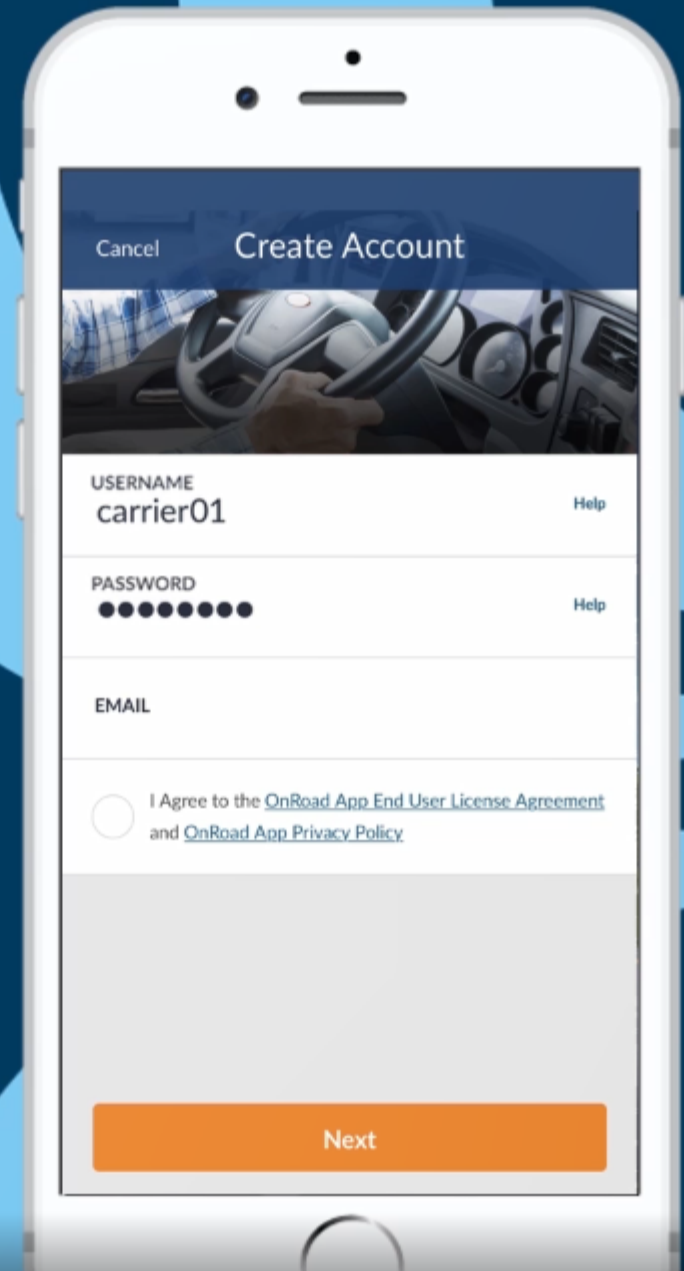

- last 10 digits of OnRoad card number
- employee number or ID
- tap **Verify Card**

Once your card is verified, a success message displays and you are prompted to create an account.

Enter a unique username, password, and an email address to establish your mobile account.

The image shows a white smartphone displaying a 'Create Account' screen. The screen has a dark blue header with 'Cancel' on the left and 'Create Account' on the right. Below the header is a background image of a car's interior. The form consists of three input fields: 'USERNAME' with the value 'carrier01', 'PASSWORD' with ten black dots, and 'EMAIL'. Each field has a 'Help' link on the right. Below the fields is a checkbox with the text 'I Agree to the [OnRoad App End User License Agreement](#) and [OnRoad App Privacy Policy](#)'. At the bottom is an orange 'Next' button.

Then, review the OnRoad App End User Agreement, and tap the checkbox to agree to the terms.

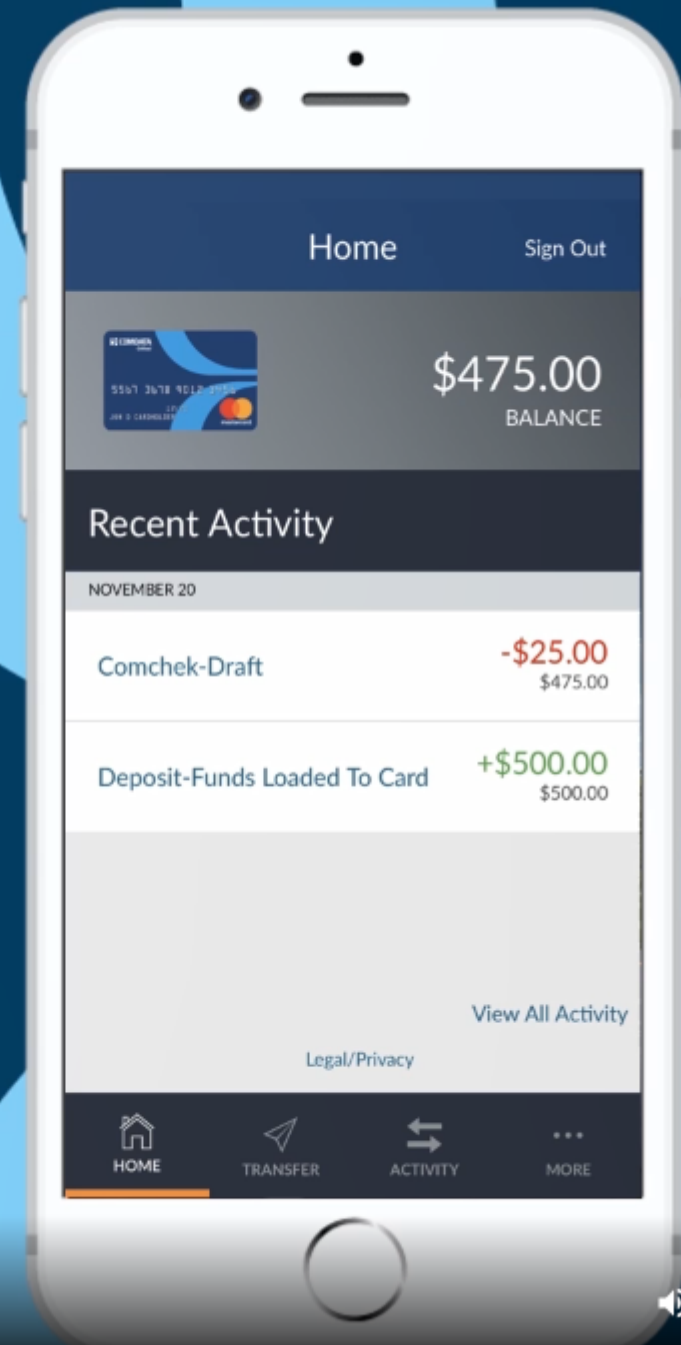

Finally, enter your:

- address
- mobile phone number
- other information to help verify your identity

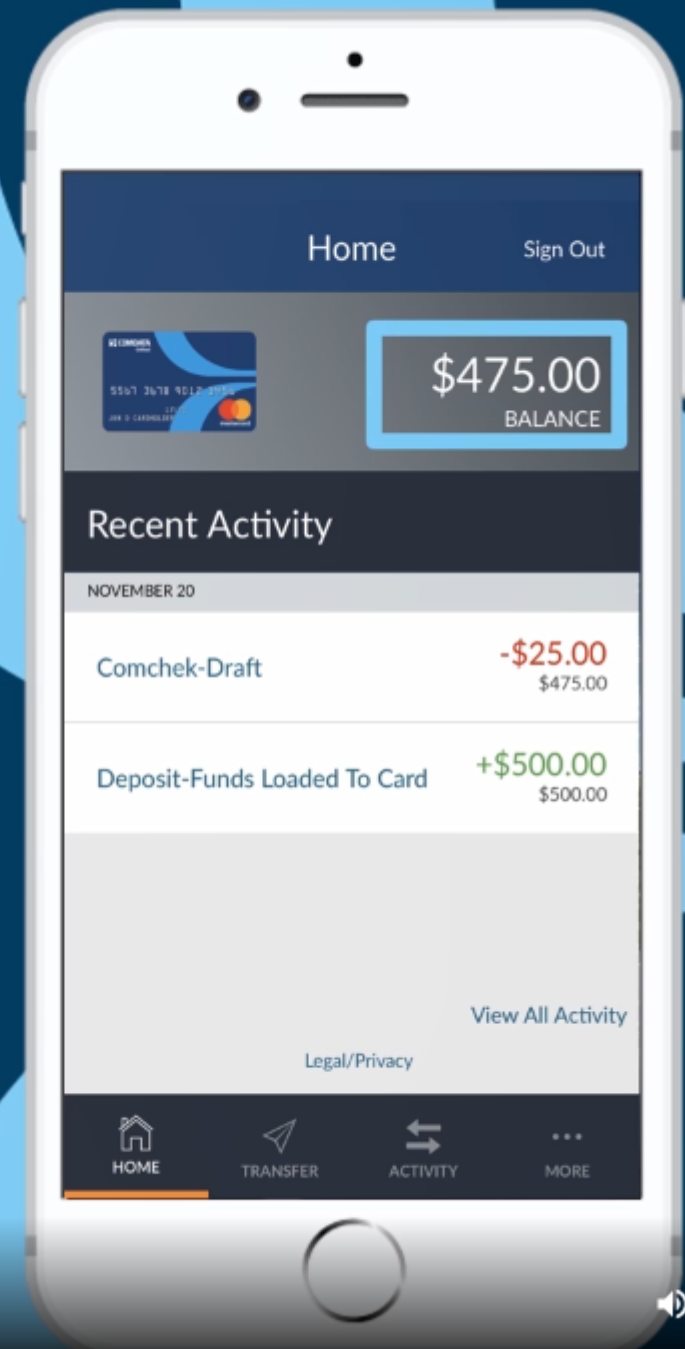

Your OnRoad mobile app account is now active and you have access to all features in the app, including some unique features that are available only through the app.

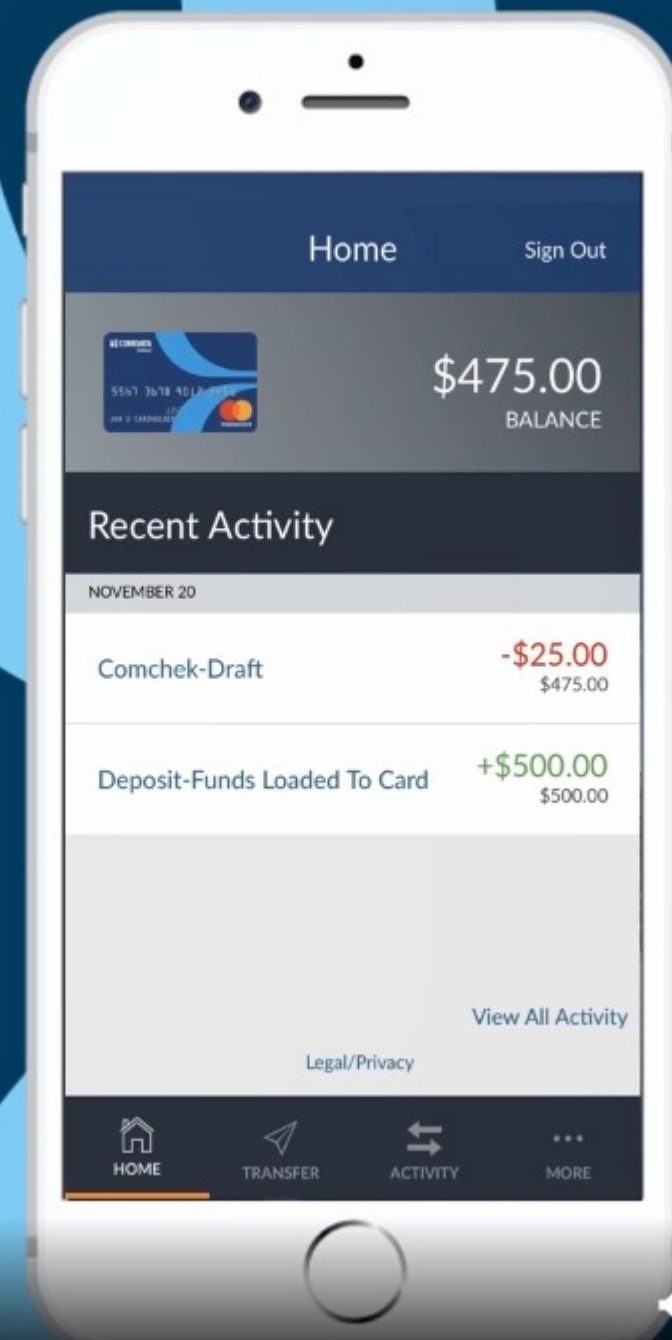

You can:

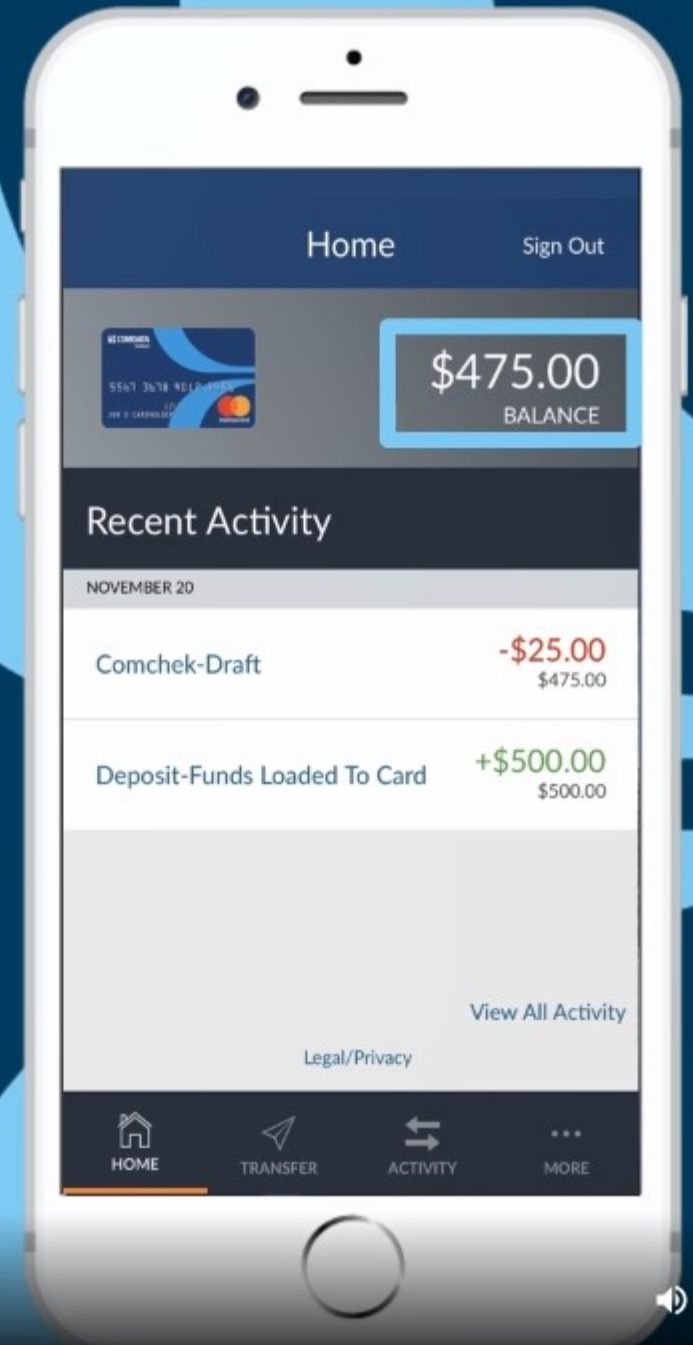

- check your balance
- deposit funds to a bank account
- peer-to-peer transfer to another user

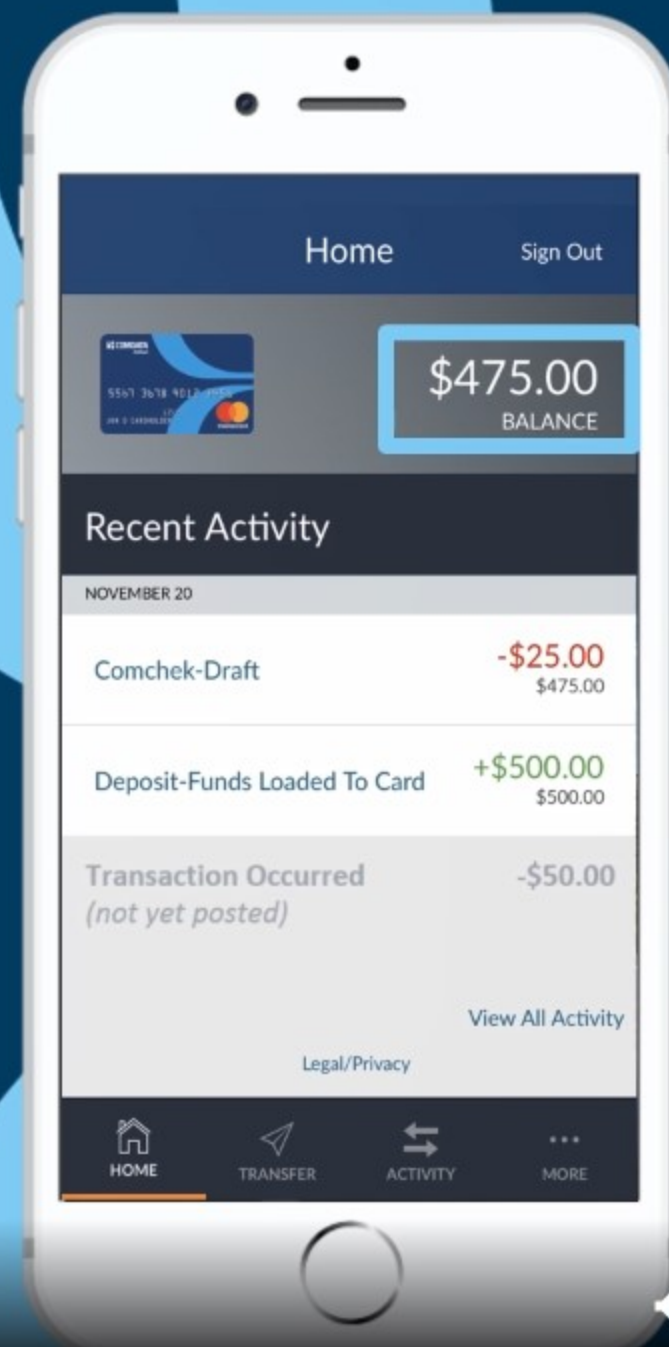

Use the Home screen in the mobile app to check your card balance for **FREE**.

The balance will reference your available balance, taking into account any transactions that have occurred but not yet posted to your card's history.
