

Mock Log for the January 2021 Safety Quiz

- **Notes: The time zone we use for our logs is the Eastern time zone. ALWAYS!!**
- **With paper logs you round up or down to nearest quarter hour.**
- **There will be a couple of funky items on the timeline. If you think it should not be entered on your duty log, then it probably shouldn't be entered.**
- You have worked the previous 5 days for Anheuser-Busch in Boston, MA.
- Your hotel was in Braintree, MA
- Your total on duty and drive time for the 5 days was 41 hours and 45 minutes.
 - 8 hours on 1.11
 - 8.5 hours on 1.12
 - 8.0 hours on 1.13
 - 8.0 hours on 1.14
